**From- TTAU**  
For the RA:

**- Cook Inlet Subsistence Consumption**

R10 has approved the Quality Assurance Project Plan (QAPP) for the Cook Inlet Tribes' Subsistence Consumption Assessment. Through an FY12 IGAP Special Project, Seldovia Village Tribe is conducting a baseline assessment of tribal subsistence consumption rates, patterns, and preparation of anadromous and resident fish species and other subsistence resources in 4 villages around Cook Inlet, Alaska. The tribes hope to follow-up with a 2nd phase FY14 Special Project to assess contaminant levels. (Contact: Katherine Brown)

**Each morning when I open my eyes I say to myself: I, not events, have the power to make me happy or unhappy today. I can choose which it shall be. Yesterday is dead, tomorrow hasn't arrived yet. I have just one day, today, and I'm going to be happy in it. ~ Groucho Marx**
